Catalog Of The
ANNUAL SHORTHORN SALE
~1945~

The COLUMBUS GROVE
Shorthorn Breeders' Association

To Be Held at the Robert Tudor Farm
VAUGHNSVILLE, OHIO
MONDAY, OCTOBER 15th, 1945

For thirty years, this Association has functioned and the cattle of its members have improved. In type and character, as well as in breeding, the forty-six lots listed in this catalog are equal or superior to any offering at any other district or state sale held this year. Study this catalog, then come to the sale. You will be convinced of the truth of this statement.

Tudor Bros.' heifers, sired by the Ohio State Fair champion Browndale Stamp 1916749, coming into the sale from the pasture.

Foreword

During the past decade the herds in the neighborhood of Columbus Grove, Ohio, have been greatly strengthened and improved by the influence of a great sire. He died in August of this year. This sire was Browndale Commander 1835125, a son of the \$3500.00 Browndale Captain by Browndale Count. He was used exclusively by B. B. Snaveley & Son, McComb, Ohio, and he is the sire of many bulls that have made outstanding show and breeding records in Ohio and adjoining states and several in states farther away. Note the number of times the name Browndale Commander appears in pedigrees in this catalog.

It is not alone the influence of Browndale Commander that has contributed to the excellence of this offering. George Fisher and Son's noted Roan Pat that was the highest priced bull in the 1938 International sale has added quality, style and type. At the International Congress last year and at recent Ohio State and regional shows recently, Roy Johnson, Flushing, Ohio, has gained great prominence with the sons and daughters of his impressive sire Klaymor Diamond 2048553 by Aldie Reynoldstown (Imp.). There are some extremely attractive daughters of this famous sire in the sale.

Other impressive sires whose names assure attractiveness of consignments to this sale are Watt Acres Prince, Brawith Boy of Hawthorne, Royal Echo, Sultan Monarch, the good son of Calrossie Mercury (Imp.), Edellyn Marquis Mercury and Edellyn Prince Hero.

Come to this sale and see what good breeding will do. We know that you will be greatly pleased with these Shorthorns.

The Columbus Grove Shorthorn Breeders' Association.
Willard Moser, Sale Manager.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase or by the time the bull is twenty months of age if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

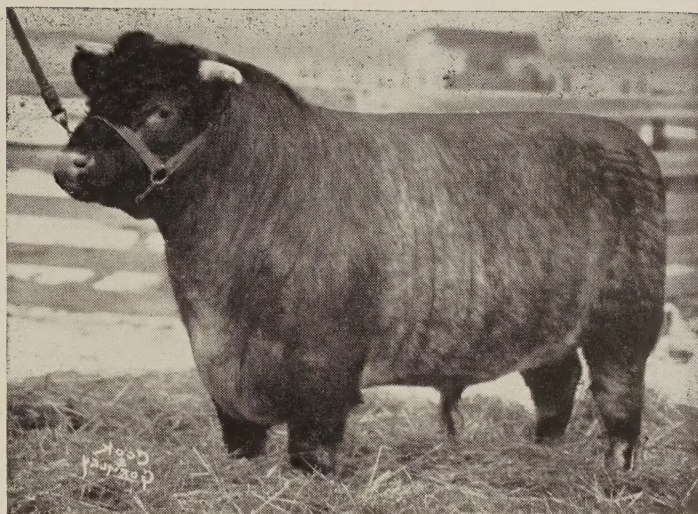

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

She has two crosses of Browndale Commander and is one of the kind that it takes to make a great breeding cow, her dam being one of the best cows in my herd.

BRAWITH BOY OF HAWTHORNE 2128917

Brawith Boy of Hawthorne, a grandson of the noted Scottish Highland and English Royal and Canadian Royal grand champion, Brawith Boy (Imp.),

is a potent sire of blocky, short legged, good headed, dark colored calves. Goldendrop Lady 1-A fits this description and is out of a daughter of the famed Browndale Commander. She is selling open.

This is the sort of calf that every breeder would be proud to produce. His name is Commander's Renown. He was bred by Willard Moser, Pandora, Ohio, and he was top at one of the Ohio State sales. His sire is Commander's Count 1968022. His dam is a granddaughter of the noted Browndale Pilot. This catalog has the pedigrees of many animals closely related to this grand calf.

Happy children, a comfortable home and attractive cattle are typical of America. The children are sons and daughters of Mr. and Mrs. Ellis C. Steiner, Pandora, Ohio. The house is their home. The cattle are twin heifers that topped a prominent Ohio Sale. A full sister of these heifers was grand champion of the Ohio State sale and later of the Indiana State sale. They are daughters of Commander's Count 1968022. There are others like them in this sale.

These heifers were bred by Tudor Bros., Columbus Grove, Ohio. They were sired by Browndale Stamp 1916749 and are shown in pasture on the Robert Tudor farm near Vaughnsville, Ohio, where this sale will be held. See their sire and dams on the farm on sale day and buy their sisters in the sale.

Another reason why the Columbus Grove Association breeders can sell such desirable Short-horns is the quality of their breeding stock. The above heifers are the property of W. E. Watt, Watt Acres Farm, Lima, Ohio. They have now grown to maturity and are producing outstanding offspring for Columbus Grove Association sales.

Whenever sons and daughters of the noted Roan Pat 1940600 are offered for sale they are a drawing card for the auction. One reason is the type and breeding of the matrons with which he has been mated. Here is a part of the herd of George Fisher & Sons, Wapakoneta, Ohio. The good headed, blocky calves in this picture were sired by Roan Pat. See his get in this catalog.
